

TARGET 1: To improve writing outcomes across all areas of the curriculum, developing resilience, structure, punctuation and presentation.

- To improve all planning to ensure progressive genre build up
- To work on writing modelling to support improvement
- To work with cluster schools to support improved writing quality, including moderation
- To improve presentation skills, ensuring pride is taken when children are writing in any subject
- To write for pleasure to support improved attainment.

TARGET 3: To continue to support all subject leaders to develop their subjects towards providing outstanding provision, focusing in on key areas to develop for 22/23.

- All subjects to consider local context learning opportunities in their subjects.
- To ensure that phonics teaching is strong and consistent across the key stage
- Further develop our maths mastery approach to support and cement mathematical understanding
- To continue to develop children's comprehension understanding through quality reading for meaning sessions and Accelerated Reader
- To further develop our arts provision alongside Into Opera and the arts' project.
- Join the RSC Associate Schools Programme

TARGET 2: - To continue to develop the quality of education provided, ensuring practices promote opportunities for knowing more and remembering more

- To finalise the schools approach to adaptive teaching to ensure consistency across the school
- To support improved retrieval across the whole curriculum
- Co-ordinators to look closely at progress in their subjects to ensure excellent progression from KS1 to KS2

Sprowston Junior School

What we are doing to improve our school in 2023/24

TARGET 4: – To further develop systems in school to support the well-being of pupils, parents and staff

- To review behaviour policy, practices and rewards
- To develop playground provision further to include new activities
- To recognise the cultural richness in school and to appreciate each other's culture
- To have a focus on healthy living, mental health and keeping fit. Link to science and PSHE.

TARGET 5: To continue to strengthen aspects of leadership and management which in turn will positively affect outcomes for pupils

- To plan effectively alongside the local authority and other schools in preparation for the SRB opening in September 2025.
- To appoint a number of community governors to strengthen the governing body
- To support improved attendance in 23/24
- To track pupil premium children's progress closely from September through to July; making adjustments where required to support excellent progress
- To analyse SEN support across the curriculum to support improved outcomes and progress
- To continue developing opportunities for families to be involved in school life.
