Sprowston Junior School

Building and Working Together

Admissions

Policy 2026

Please note that Norfolk County Council has overall authority for placing children at Sprowston Junior School. They should be contacted (0344 800820) if parents wish to transfer their children to Sprowston Junior School.

In the Summer Term each year, there are induction visits for pupils who are to start in the following September. There is also an evening meeting for the parents of those children. In addition, the Head teacher will be pleased to see any parent regarding admission throughout the year.

For the school year 2027/28, our school admissions numbers are moving to a maximum of 45 places. If there are more applications for places than there are places available, we will give preference to children living nearest to the school, according to the following rules in this order of priority:

1. children with a statement of special educational needs naming the school
2. children in public care who are due to transfer
3. children who are due to transfer, living in the area served by the school who have a brother or sister attending the school at the time of their admission
4. children who are due to transfer, living in the area served by the school who have no brother or sister connection with the school
5. children who are due to transfer, living outside the area served by the school who have a brother or sister attending the school at the time of their admission
6. children who are due to transfer, living outside the area served by the school and attend a feeder school at the opening date of the admission round
7. children who are due to transfer, living outside the area served by the school who have no brother or sister or feeder school connection with the school.
