

Building and Working Together

SJS Weekly News - 26th November

It was lovely to meet many of the Year 2 children this week and for them to see the school in operation. We're always proud to show people around and for them to see the children's behaviour and attitude. The Year 6 Ambassadors did an excellent job in explaining all aspects of school life.

I had many comments from children to tell me how much they'd enjoyed the activities the Year 6 House Captains arranged for Children In Need. Thanks for all your support. We raised £380, which is a really pleasing total.

You will find details of the plans for Christmas carols on the playground below. We hope this brings a little bit of cheer and a nice ending to the term for all the children. Let's just hope the weather holds out in the final week!

If your child is in the Christmas performance, a separate email has gone out today. If you haven't received it, please can you get in touch with the school office to arrange when you'd like to come and see the play.

I spoke to the children in assembly today about noticing a lot of jewellery in recent weeks. For health and safety reasons, children should not wear any jewellery in school. Earrings are allowed but they should not be hooped. Many thanks for your support with this.

Have a good weekend.

Kind regards

Matt Walton, Headteacher

Diary Dates - December

3rd December - Cross Country Race 3 @ Eaton Park

7th December - Year 4 - Ancient Greece Day

10th December - Christmas Jumper Day

13th December - Drama club Christmas performance - 2pm

Year 3 carols at 3pm on playground

14th December - Christmas Lunch - all years

Year 4 carols at 3pm on playground

15th December - Drama club Christmas performance - 2pm

Year 5 carols at 3pm on playground

Drama club Christmas performance - 6pm

16th December - Year 6 carols at 3pm on playground

17th December - End of term

1 - Rehearsals for the Christmas play went very well this lunchtime!

Focus on 6W - What have 6W been up to this week?

In maths, we have been learning how to multiply, divide and simplify fractions. We have also been doing fraction word problems. I also enjoyed PE because it's always enjoyable to do sports in lessons and we've played bench ball this week and also created some gymnastics routines.

Soloman

I particularly enjoyed history as we were looking at medieval Norwich and discussing where the city walls still remain today. I also enjoyed reading the new class literacy book, Cirque Du Freak.

Harvey B

In science this week we have been learning about light, how it travels and reflects. We did an experiment and it was about how light bounces off a mirror and how it creates a V shape. I've enjoyed the art this week, we have been creating sculptures and I've also enjoyed P E, creating elegant gymnastic routines.

Myrtle

I've enjoyed art because it has been fun learning some new skills, creating sculptures based around the sculptor 'Giacometti'. I also enjoyed maths; we are learning some new fractions skills.

Evie

2 - A word wizard! Some excellent literacy today!

Carol Singing and Christmas Songs

At 3pm in the last week of term, each year group will take turns to sing a few carols or Christmas songs to make home time a Christmassy affair! The children will be singing for 10-15 minutes and should still be ready to go home at the same time as normal. Please see the diary dates above for when your child's year group will be singing.
