## **Building and Working Together**

### SJS Weekly News - 26th May, 2022

There has been plenty happening this week. Yesterday, Year 6 enjoyed their visit to Crucial Crew where they learnt all about safety within the home and in the community. They heard from the fire service and the police amongst others. It was lovely to hear that they were praised for their excellent behaviour.

The Kwik cricket team enjoyed taking part in a tournament earlier in the week. In what was a new experience for all, we were delighted with their attitude and effort. They had quite a few close games and will have learnt a lot from the day.

In school, the children have been getting ready for the Jubilee events after half term and enjoying researching about the decades gone by. It would be interesting to ask them what they have learnt about the decade they have been focusing on!

We wish all our families a relaxing half term and hope you enjoy the long Bank Holiday. We return to the busiest half term of the year, taking us through to the summer holidays. See you on Monday 6th June.

Kind regards

Matt Walton, Headteacher

**Diary Dates**

Friday 27th May - School closed

Mon May 30th - Fri June 3rd: Half - term

Tue 7th June - Yr 5 visiting Cley Marshes

Tue 7th June - Yr 3 Jubilee Celebration (10:30am - 12:45pm)

Wed 8th June - Yr 4 Jubilee Celebration (10:30 am - 12:45pm)

Thur 9th June - Yr 5 Jubilee Celebration (10:30am - 12:45pm)

Fri 10th June - Yr 6 Jubilee Celebration (10:30am - 12:45pm)

Mon 13th June - Class photos

Tuesday 5 July - Yr 3/4 Sports Day (9:15am)

Tuesday 5 July - Year 6 Evening Performance - time tbc

Wednesday 6th July - Year 5/6 Sports Day (9:15am)

Friday 8th July - School Reports sent home

Monday 11th July - Yr 3 trip to West Runton

*1 - Year 6 had an enjoyable afternoon at Crucial Crew.*

## **Crucial Crew**

I really enjoyed going to Crucial Crew as we were able to meet and learn from the people in our society that are doing their bit for our country. Each employee set up a task about staying safe around dangerous objects and situations. My favourite task was the CPR and recovery position from the air ambulance and St Johns ambulance.

By Neve (Year 6)

Crucial Crew was on Monday 25th of May 2022. It was really fun because I learned new aspects and how to survive in dangerous situations. The activities were set in different rooms with different people, my favourite activity was learning how to do CPR! You got lots of books from the different activities which had all the key information you needed to know.

It was great seeing people teach young kids about their job and what they have to do in life situations. Thank you!

By Darcy (Year 6)

I thought the fire service was the most interesting as they talked us through and simulated what to do in a real fire. The talk about 'gas safety' was also interesting, you learnt that carbon monoxide is dangerous and has no smell.

By Solomon (Year 6)

*2 - In science, Year 6 had to design a product using an electrical circuit. The product had to be for a celebration. Here's a great Christmas design, ideal for your mantelpiece!*

### **Kwik Cricket**

A group of 9 children selected from Year 5 and 6 had a fantastic time at a Kwik cricket tournament this week. None of the children had ever played a match or been involved in a cricket tournament before, however all their attitudes and effort were amazing! By the end of the day children were bowling, fielding and hitting 4s and 6s, well done to you all! The children involved were: Cruz (5H), Joel (5B), Zuza (5B), Sonny (5B), Callum (5B), Kian (5B) Jamie (6W), Patryk (6W) and Jack (6R). Thank you also to parents for your help and support.

*3 - A Christmas hat design to put on your Christmas list!*

### **Learning Champions**

It is always a difficult challenge to nominate a winner from each class with so many children working hard and displaying great behaviours for learning.

The Learning Champions nominated for this half-term were:

Amber - 3W

Joey - 3C

Caleb - 4I

Oliver - 4P

Megan K - 5B

OllyS - 5H

Jamie - 6W

Corban - 6R

### **Writing Project - Year 6**

The last writing project was on the 25/05/22 (yesterday). The theme was ending a story

because it was the last one so it made sense to end a story. I really enjoyed the writing project because you get to write freely and you have no boundaries. As it was the last one, everyone got a free book of the author's and you got it signed and 3 free bookmarks! We also got cookies!

By Myrtle (Year 6)

### **Jewellery**

We've noticed children wearing necklaces and rings in the last few weeks. Please can you make sure your children are not wearing jewellery at school, apart from stud ear-rings. This is for health & safety reasons. Thank you.

### **Jubilee**

We look forward to our Jubilee events after half-term. The children are invited to dress in red, white and blue on their Jubilee days (Tue - Yr 3, Wed - Yr 4, Thur - Yr 5, Fri - Yr 6).
